ANOTHER WONDERFUL CURE!

ANOTHER WONDERFUL CURE!

PHILDELPHIA, April 9, 1846.

Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain.

A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent nuater in my lungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as loss of appetite, heetic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured of me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs.

S500 REWARD.

The above reward will be paid to any pera in who will restore to her disconsolate parents, their daughter, MARY POX, or one half of said reward for such information as will lead to her recovery. Said Mary left her school about 5 P. M., on the 20th of May, 1847, and since that time has not been seen. She is only 15 years of age, 4 feet 9 inches, black hair, small black eyes, rather thick pouring lips, rd checks, small features, pretty and quite girlish in appearance. She wore a small plaid califor dress, pink, purple and blue; black silk cape and apron, black guiter boots, pink silk shirred hat, and green veil; two small chased finger rings, a gold pencil attached to a black cord, and her nail quite short from biting them. It is strongly suspects di that she has been abducted by a person named Michael, alias Martin Hare, formerly proprietor of a Bowling Selono, located near No. 202 Broadway, opposite the Franklin House, who absconded about that time from this city, descring his wife and leaving her cutriety destitute of support.

Said Hare is about 28 years of age, no whiskers fair complexion, and rather genteel appearance. He was seen lutking in the neighborbood of her school a short time previous, disquised with false whiskers.

A sister of Hare, named Margaret, was removed by him from a boarding school about the time of the abduction, and is supposed to be with them. She is described as follows:—Very dark hirs, simost black; dark skin, grey eyes, prominent eyebrows, a small scar on one eyebrow, a small scar on the right check as if made by small pox, a scar formed by a gash upon the end of the nose, nearly an inch in length, the tooth next to the first double tooth on the left side of the face goue; she is about seventeen years of age.

Any information to be immediately communicative. \$500 REWARD.
